Re: Assessed Value Affecting 2024 taxes, parcel XXXXX.XXXX

We do not agree with our assessed valuation recently received.

Between January 1, 2022-2023 we have made no improvements to our buildings amounting to a **\$00,000.00** increase. How do you account for this increase? Did you use the market value or the current use value to make this change? Please explain and show how you arrived at this new value.
